

Abhijeet Nakharekar. Feb 2020

* 1st technical (GEP solutions)

- ① Tell me about your project.
- ② What is ADO.net.
- ③ What is MSIL.
- ④ What is entity framework.
- ⑤ What was ~~the~~ your role in the project.
- ⑥ What is ASP.net.
- ⑦ Have you provided security through url in your project?
- ⑧ OOPS concepts.
- ⑨ Explain OOPS concepts in programming.
- ⑩ What is overloading in C#.
- ⑪ What is overriding in C#.
- ⑫ What is assembly, explain its types.
- ⑬ What is stored procedure.
- ⑭ Diff. betⁿ stored procedure & function.
- ⑮ What are joins.
- ⑯ Have you used stored procedure in your project?

* 2nd technical

- ① Tell me about your project.
- ② Write a program to find out height of binary tree.
- ③ What is unit testing.
- ④ Commands for creating new project in angular.
- ⑤ What is component.
- ⑥ What is service. (angular)
- ⑦ What is ng model.
- ⑧ How did you do integration of UI & middle + web API.
- ⑨ What is web API.

Name:shweta Vengurlekar

Techincal Round 1

- 1.Tell me about yourself
- 2.Modules from CDAC Curriculum
- 3.Tell me brief about you project
- 4.OOPS with Real time examples
- 5.Inheritance types(focus was on multilevel inheritance with accessibility of data present in the classes)
- 6.SQL keys
- 7.Joins
- 9.Queries on joins
(expect that they tell you to write 1 query using join and give you different scenario so you have to modify that query and tell them the answers)
- 10.Collection basics (which collection you have studied? list difference between list,set and map).
- 11.What you know about Github?
- 12.what do you know about the term API?
- 13.What you know about GEP?

Managerial Round

- 1.Tell me about yourself
- 2.Modules from CDAC Curriculum
- 3.Draw flow or descriptive diagram for your project(flow chart/Any architectural diagram)
- 4.Why you used Restful web Services
- 5.Why angular for frontend? why not javascript jquery? which angular version you have used?
- 6.what is component,service in angular?
- 7.Algorithms for problem solving?
- 8.which technology you are comfortable with?
- 9.What you know about GEP?
