

Q

Credentk Solution, Per

Create a file Named Marks.Txt

Roll No	STD_NAME	physics	chemistry	Maths
231	XYZ	70	75	80

similary this table has 50 records.

Write Programme in either C++ OR Java

Q Find out student who has second Largest marks in Physics.

Q Find Average Marks in maths of all Students.

Q Find Geometric mean of chemistry Marks .

Q Inserting data into Database table.

Q Write a code to find the Second Sunday of Any Months.

Q write a code to convert 01-JAN-2012 as input into 01-01-12 as an output. similarly for any input like

01-JAN-2012 → 01-01-12

01-FEB-2012 → 01-02-12

01-MAY-2012 → 01-05-12

- ① Tell me something about yourself.
- ② How do you rate yourself in your class?
- ③ What is the strength of class?
- ④ What commitment you can do to me that you will not leave the company for around 3 years?
- ⑤ Solve the foll. problem Stmt.  
if there is a foll. table.

Transaction

Transact <sup>n</sup> Id	Quantity	Price	cost	Buy or Sell
T <sub>1</sub>	Q <sub>1</sub>	P <sub>1</sub>	w <sub>1</sub>	B
T <sub>2</sub>	Q <sub>2</sub>	P <sub>2</sub>	w <sub>2</sub>	B
T <sub>3</sub>	Q <sub>3</sub>	P <sub>3</sub>	w <sub>3</sub>	B
T <sub>4</sub>	Q <sub>4</sub>	P <sub>4</sub>	w <sub>4</sub>	S

~~if the records are~~

Then  $w_{post}$  is calculated as  
 $w_1 = (Q_1 * P_1) / Q_1 \rightarrow \text{Buying}$   
 $w_2 = (w_1 * Q_1) / Q_1 + Q_2 \rightarrow \text{Buying}$   
 $w_4 = w_3 * P_1 / w_3 \rightarrow \text{selling}$   
 etc

now find out the  $w_n$   
 & sum all buying quantity & selling quantities  
 & subtract buying from selling.

- ① rate UR self on each technology that U know.
- ② what you know about credence?
- ③ Write a prog to find prime no's from a jagged array & put them in another array.
- ④ Write a prog to find if a string is palindrome or not.
- ⑤ Write an application where user enters user name & password & submits then it goes to the registration page where whatever data user enters you should insert into the database.
- ⑥ Can I write 2 body tags in 1 html doc?
- ⑦ Can I write id <sup>attribute</sup> tag in body tag?
- ⑧ What is the use of form tag in html?
- ⑨ what is meta type?
- ⑩ attributes of form tag.
- ⑪ Difference betn get & post.
- ⑫ what is div tag? & span tag?
- ⑬ Difference betn the div & span tag.
- ⑭ Tell me something about URself.
- ⑮ Different types of constraints.
- ⑯ Explain 1<sup>o</sup> key, unique key.
- ⑰ Can a column with unique key can have many nulls?
- ⑱ what is truncate & delete. Difference betn the 2.
- ⑲ Advantages & disadvantages of truncate & delete.
- ⑳ Write a query to ~~cop~~ create a backup table from an existing table with same structure & same data.
- ㉑ What is a join? How many types of joins are there? what is left outer join?
- ㉒ what will be the value for columns of right table for unmatched columns of left table?
- ㉓ what is a view?
- ㉔ Can I perform insert on a view which includes join of 10 tables?
- ㉕ latest version of html. what is difference in old version & new version?
- ㉖ latest version of IE? & u'll had used ~~SQL~~ MSSQL & not

- ① Tell me something about yourself.
- ② Weakness & strength.
- ③ Will you work with us on holidays without extra payment?
- ④ & you didn't join companies like TCS & Infosys?
- ⑤ If they offer you 4.5 package & we have sent you an offer letter which one would you prefer?
- ⑥ & do you want to join our company?
- ⑦ What do you know about audience?
- ⑧ Tell me something about your family.
- ⑨ Do you mind going anywhere in India?
- ⑩ Do you mind going to client side?
- ⑪ Do you mind travelling central Bombay?
- ⑫ Are you comfortable travelling in Bombay?

### Technical I continuation.

- project.

⑨7 What is the version of that server you'll use?

②8

Oracle

Q — Difference between procedure and function.

Q —

A	B	C
1	2	3
1	2	3

delete 2<sup>nd</sup> row in table

Prog. — reverse string = MADAM. & check Palindrome or not

Q — how to execute function?

Q — Difference between char & varchar

Q — Difference between truncate & delete

Q — Difference between PDL & DML

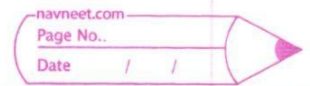

Q — why I can insert row from another table with one query

Q — to\_char, to\_date function

Q — In javascript <sup>how</sup> ~~to~~ text field can accept ~~also~~ only character only

- Problem face in Project & how to overcome it.
- why use JSP? advantage of JSP

Java

Q - why Java is platform Independent?

Q - In Project why use MySQL

Q - what is MySQL.

Prog -  $[1, 3, 5]$   $[1, 5, 3]$ ,  $[5, 3, 1]$   
from above array create  
array in which having  
Prime no.

Prog - from above array create  
array of odd & even no.  
with unique values only

Q - oracle Aggregate function.

Q - Procedure return value or  
not

Q - How to execute Procedure

Q - Garbage collector.

Q - In Project why use MySQL

Prog - Separate Sort array in ascending  
and descending order.

- How insert thousand row from one  
table to another same table
