GITESHWARI WADBUDHE (Adzipper)

Intro

CDAC project

What is your role in you project..

puzzle..

Weighing 9 balls puzzle:

You have 9 balls, equally big, equally heavy - except for one, which is a little heavier.

How would you identify the heavier ball if you could use a pair of balance scales only twice?

Logic code..(To print number from 1 to 100)..

SQL query on joins

Questions on angular..

MVC..

class loader subsystem.. jvm architecture..

JDK jre..

annotations in project...

Web API methods..

Hibernate methods..

And HR questions...
